India's Best Online School

**INDIA'S FIRST  
ONLINE SCHOOL  
POWERED BY AI**

# SCHOOL PEDAGOGY

The world is evolving and so should your child's education. Typical chalkboard days are gone now. Coping with 21<sup>st</sup> century trends, Cyboard is evolving the field of education with being the first AI-Enabled online school. With Cyboard, quality education is not just under the proximity of physical schools or urban cities. You can get your child educated within the comfort of your home, while eradicating the divide of accessibility. Unlike physical schools, Cyboard uses international curriculum combined with superior technology and hence super-charging the learning experience for your child.

Being the 100% digital school, our innovative child-centric pedagogy is perfect for developing roots to emerging wings. With stress-free, systematic and engaging virtual classes, we are educating the future leaders and that too just through a click. Entire learning process is well phased out with enhanced LMS (Learning Management System) unifying the process of quality education. Our distinctive stages of learning help children to learn to the fullest.
